WALKING ULTIMATE EXPERIENCE

Day 01 NORTH LUANGWA NATIONAL PARK

Arrival to North Luangwa's remote National Park. Overnight at Nkalamo Bush camp.

Day 02.-NORTH LUANGWA NATIONAL PARK . Nkalamo BUSHCAMP.

You will know you are in one of the wildest places in Africa, some experts say the entire world. The Park has more than 4000 square kilometres of protected nature; we will have the privilege of spending the night in this more remote zone, which in the local Bemba dialect meaning LION. And it is because that zone riddled with these magnificent predators. We will spend the day preparing our great adventure: a mobile safari inside the national park. As the former explorers, we will cross by foot the wildest area of the world.

Overnight at Nkalamo Bush camp.

Day 03 & 04. - FLY CAMPS – NORTH LUANGWA NATIONAL PARK

We go out on foot northward, following the Luangwa River. During those days we will see countless pods of hippos. Big crocs flee into the water, surprised by our arrival. All day long we will see the typical local animals, Impalas, puku, zebras and buffaloes. We will pass the remote park entrance called South Gate and our aim will be the confluence of the Mwaleshi River at the Luangwa River. A magical area specially protected as an important ecological interest site. Nearby we will establish our tented camp. Under the bright evening stars next to our campfire, we can discuss this day's fascinating experiences. Overnight at camp.

Day 05, 06 & 07 . - FLY CAMPS – NORTH LUANGWA NATIONAL PARK

We continue on foot heading North, following the Luangwa River, in a more wooded zone. We will follow the many animal spoor that our trackers can identify easily. We can expect to encounter numerous variety of wildlife enroute. At night the sounds invade our camp, but thanks to the heat of the fire we will feel secure. Overnight at camp.
